Jackson Energy Authority

Be the hit of your backyard...

**The Jackson Energy Authority
sells four models of grills.**

**All are made by Broil King the
leader in grilling to perfection.**

Imperial 90

Our finest grill, the Imperial comes on a cart or pedestal base. It features...

- ✓ 490 square inches of primary cooking space
- ✓ Stainless-steel main burner, extra side burner and rear rotisserie burner
- ✓ Three-position, porcelain-coated, cast-iron cooking grids and a porcelain-coated swing basket
- ✓ Drop-down side shelves
- ✓ Heavy-duty rotisserie kit with spit balance
- ✓ Extra-deep convection oven

\$955*

Broil King®

Cast Iron Construction

All of our Broil King grills have heavy-duty, cast-iron cooking grids that lock in the juices and enhance the flavor of grilled meats.

On one side, the grids are pointed – giving the same classic grill marks you expect from the professionals. Turn the grids over to use the slope settings and the grooved channels will drain away excess fat.

The narrow grid spacing also allows you to grill the most delicate foods, like vegetables and seafood.

Sovereign XL

The Sovereign features a sleek contemporary design that comes on a cart or pedestal. It also has...

- ✓ 388 square inches of primary cooking space
- ✓ Three-position, porcelain-coated, cast-iron cooking grids and a porcelain-coated swing basket
- ✓ Stainless-steel cooking system with a side burner and rear rotisserie burner
- ✓ Rotisserie kit, drop-down side shelves and extra-deep convection oven

\$830*

Regal XL

The Regal XL, which also comes on a cart or pedestal, has all of the features of the Sovereign XL, except for the side burner, rear rotisserie burner and rotisserie kit.

\$710*

*** Easy Installation**

The price of your new grill also includes free installation and maintenance. The Jackson Energy Authority also will provide the first 100 feet of gas line at no extra cost.

The Energy Authority offers low-interest financing for the purchase of your grill with payments on your monthly utility bill.

Regal 2

The Regal 2 comes on a post and features...

- ✓ 388 square inches of primary cooking area
- ✓ Three-position, porcelain-coated, cast-iron grids
- ✓ Stainless-steel cooking system
- ✓ Drop-down shelves and condiment bin
- ✓ Extra-deep convection oven

\$645*
