Mmmm. **W**hat's the best way to
pay our utility bill?

ny way your heart desires.

Bill paying isn't necessarily easy, but we want to at least make it convenient. We offer several ways to pay your utility bill each month.

Through Bank Draft

The easiest way to pay your bill is through bank draft. Each month...

- We send your bank the amount you owe.
- We send you a copy of your bill.
- The bank deducts the amount from your savings or checking account *on the day your bill is due.*
- You don't have to worry about ever being late with your payment – and you avoid lines and parking problems.

By Mail

You can mail in your payment in the envelope that comes with your bill. *Make sure you enclose the top portion of your bill.*

In Person

You can pay in person at Ripley Power and Light, 150 S. Main St. in Ripley, or at 409 S. Church St. in Halls, and at Ripley Gas and Water, 116 Church St., in Ripley. All offices are open 7:30 a.m.-5 p.m. Monday to Thursday and 7:30 a.m.-4:30 p.m. Friday. All locations also have a night deposit box. *When paying in person or making a night deposit, make sure you bring or include the top portion of your bill.*
